It is applicants' belief that none of the above U.S. patents describe that which is claimed in the present invention.

It should be understood that attention has been called to the patents that have been deemed to be pertinent to the claimed present invention. In concluding what was pertinent, the criteria employed was considered most appropriate in light of the invention shown in the present application. However, the Examiner or others may deem some other criteria to be just as

appropriate or more appropriate. Therefore, the Examiner is respectfully urged to review the listed patents to make the usual careful independent search for other prior art that may be pertinent.

Since this Information Disclosure Statement is being filed within three months of the filing date of the application, no petition or fee is required.

Applicants respectfully request favorable consideration and that this application be passed to allowance.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Charles N.J. Ruggiero".
